Alexandria, VA 22313-1450

Sir:

The references cited on attached form PTO/SB/08A/B being called to the attention of the Examiner. A copy of references CA - CC are enclosed.

It is respectfully requested that the cited references be expressly considered during the prosecution of this application, and the references be made of record therein and appear among the "references cited" on any patent to issue therefrom.

As provided for by 37 CFR §1.97(h), no inference should be made that the information and references cited are material to patentability. Also, no inference should be made that a reference is prior art merely because it is included in this statement. Under 37 CFR §1.97(g), the submission of an information disclosure statement should not be considered as representation that a search has been made.

The patent owner is currently undertaking action to initiate reexamination of parent U. S. Patent No. 6,722,569 and related U. S. Patent No. 6,834,807. Examples of papers that are related to the patent owner's effort to initiate reexamination of U. S. Patent No. 6,722,569 and U. S. Patent No. 6,834,807 are attached hereto as references CA-CC. Relative to U. S. Patent No. 6,722,569, a filing date for a reexamination has been received. Relative to U. S. Patent No. 6,834,807, preprocessing of a reexamination request has been terminated; however, the patent owners intend to re-file the request. A prior request for reexamination of U. S. Patent No. 6,722,569 was terminated in the preprocessing phase.

No reference contained in the Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the certification after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in §1.56(c) more than three months prior to the filing of the information disclosure statement.

Applicants believe that a fee is required for submission of this statement. The Commissioner is hereby authorized to charge the fee associated with this communication or credit any overpayment to Deposit Account No. 50-0289.

Dated: June 15, 2007

Respectfully submitted,
